

Butlins
Altogether MORE FUN

Amelia and Oliver's Butlins holiday 2008

Day 1

First we went to Skegness where we had fish and chips, ice cream and walked along the beach.

We then got our keys to the apartment where we were going to stay.

Whilst Mummy unpacked our clothes Daddy took me to Bob The Builder's yard. Where I went on some rides.

Day 2

I had a special invite to join Bob The Builder for lunch and to play some games. Wendy, Spud and Pilchard the cat were also there.

It was a lovely sunny day, so we spent the afternoon on the beach. I got very messy playing with the sand and water.

Day 3

We went swimming in the morning (Oliver went for the first time). We then had the fancy dress competition. I entered as Fifi.

Day 4

I helped Fireman Sam by collecting all his missing appliances. I managed to collect all four of the stickers.

We watched the Billy Bear show in the evening. This also included Bob The Builder, Wendy, Spud, Pingu, Fireman Sam and Angelina Ballerina as well as others.

Day 5

Before we went home we visited the seal sanctuary. We saw seals, penguins, crocodiles and goats. I fed the goats with special pet food.
