

# Tatty Teddy's Disneyland Paris Holiday

with Amelia and Oliver

May 2009

## *Tuesday 26<sup>th</sup> May*

Had a very early start on the first day of my holiday with Amelia and Oliver. We went to Birmingham Airport to get the plane. The plane was late, but not too much. After we arrived at Paris Airport we went on a bus which took us to the Hotel Sante Fe at Disneyland Paris. After we got to the hotel we went straight into the Disneyland park where we had some lunch.

Amelia and I were very tired so we had a bit of a sleep, but woke up just in time for the Mickey party song. We then went shopping for an autograph book to get the characters to sign and then went on some rides. Some of the rides were a bit scary such as the Snow White ride and some others we liked more such as the carousel and the Dumbo ride.

It rained a bit on the first day, but not too much.

After spending the day at the park we went to Café Mickey for tea. Lots of the characters were at the café including Mickey Mouse, Pluto and Tigger.

### ***Wednesday 27<sup>th</sup> May***

We had breakfast in the hotel in the morning. After breakfast we were walking out of the hotel and we saw Mickey Mouse. He was just leaving, but Pluto had just arrived and Amelia and Oliver had their photo taken with him before we set off for the park.

Before we reached the park we saw a hot air balloon and went for a ride. It went up high into the sky and we could see all the park and even our hotel.

We went into the Disneyland Park where we saw a Mary Poppins' show and posted a postcard to nursery to let them know we were at Disneyland. We then went into the Walt Disney Studios.

Amelia loves High School Musical so the first thing we did was go and see the special show that they had. Amelia joined in a bit with some of the dancing.

We then went on the Aladdin Magic Carpet Ride and the Cars Ride which had Lightning McQueen, Dr Hudson and Flo cars on it. We went inside Dr Hudson. Whilst mummy went shopping Amelia and I went on the backstage tour around the studios and we saw an earthquake with a fire and lots of water. We all got a bit wet on that ride, but Daddy got wet the most.

We then went to the Rainforest Café for tea. We sat next to an elephant that sometimes moved and there was also lightening and thunder like in a real rainforest, but it didn't rain inside the café.

## **Thursday 28<sup>th</sup> May**

After breakfast we saw Mickey Mouse in the hotel again. Amelia had a photo with Mickey and then Goofy came out, so Amelia, Oliver and I all had our photo taken with him. We then went into the Disneyland Park where we saw Winnie the Pooh one of Oliver's favourite characters. We then went on the Small World Ride and met lots of other characters. Tweedle Dee and Tweedle Dum were naughty and very funny. Amelia went on the Thunder Mountain Runaway Train ride. She was just tall enough but I am too little so wasn't allowed. Amelia loved the ride, it was her favourite so far.

We then went to see the Disney Once Upon A Dream parade and saw all our favourite characters. After spending the day in the park we went to King Ludwigs castle for tea before going back to the hotel and bed.

## **Friday 29<sup>th</sup> May**

We saw Donald Duck at the hotel. Donald is another of Oliver's favourites as he likes ducks and keeps saying "Quack".

It was very hot and sunny so we all put our hats and sun-cream on and went into the Disneyland Park. We explored the Princesses castle and Mummy and Daddy went on the Space Mountain ride. Amelia and Daddy took me on the Buzz Lightyear ride where we had to shoot all the naughty robots and help Buzz Lightyear to defeat the evil Zorg.

Mummy went to do some shopping whilst Amelia, Daddy and I went on a train ride around the park. We all met together for a boat ride around the lake.

After the boat we went to the Walt Disney Studios where Daddy went on the Hollywood Tower Hotel – where the lift went up and down very quickly. We were going to go on the studio tour ride again, but it was broken. The Thunder Mountain ride was also broken so after another look around we went to the hotel restaurant for tea.

## **Saturday 30<sup>th</sup> May**

Our last day at Disneyland so we had to pack up all our bags and leave them in the store room at the hotel. We then went into the park. We went straight to the Thunder Mountain ride which was great. The next two rides broke down again so I went on It's a Small World ride again. We then went into The Studios where the studio tour ride was broken again. They managed to fix the ride and so we went on that again. We then went to Radiator Springs to go on the Cars ride, but that broke down as well. Amelia had her picture taken with Buzz Lightyear and we set off back to the hotel to get our bags. We then went to the airport and caught our plane back home getting back very late at night.

We had a great holiday and hope to go back to Disneyland again soon.
